SETUAI · PUBLIC LETTER EXCERPT

Indigo Knowledge Prism Foundation

“Designed for adaptation across languages and educational settings, it combines foundational concepts with guided challenges, case studies, practical applications, and reflection.”

Sachin Kumar · Director

Date not stated in the original letter

Context

Selected passage from a recommendation letter for Siddhi Meena, founder of SetuAI, discussing SETU AI: A Field Guide to Building with Artificial Intelligence and its educational use.

Textbook review and implementation support
