SETUAI · PUBLIC LETTER EXCERPT

OneStage

> “We particularly value the textbook’s attention to judgment. Learning to use AI also means learning to check its claims, recognise bias, protect personal information, and take responsibility for the work produced with it.”

Abhijit Biswas · Department Head - Tech4Good

2026-06-05

Context

Selected passage from a recommendation letter for Siddhi Meena, founder of SetuAI, discussing SETU AI: A Field Guide to Building with Artificial Intelligence and its educational use.

Textbook review and educational implementation
