SETUAI · PUBLIC LETTER EXCERPT

# The Creative Thinkers Forum

> “This balance is valuable for learners who need both the confidence to explore unfamiliar tools and the ability to question their outputs.”

Kulsum Farooqui · President

2026-10-09

## Context

Selected passage from a recommendation letter for Siddhi Meena, founder of SetuAI, discussing SETU AI: A Field Guide to Building with Artificial Intelligence and its educational use.

Textbook adoption as a supplementary AI literacy resource within CCAB
